None of the Andean states are in this category.

Consequently, bilateral projects in the Andean region only accounted for a tiny fraction (0.4%) of Austria's total ODA, which amounted to Euro 456.8 million (USD 593.8 million) in [¶2003](#). 33.5% of Austria's ODA goes to EU funds. There are no statistics available on the use of specific Member States' contributions for EU projects.
